In the first hour we will review and respond to a new documentation exhibit by teachers from the Advent School about tools. This follows up on our December 4th Open Studio with Will Twombly on how to set up an effective exhibit. For the second hour, we will discuss documentation (rough or polished) in small groups. Let us know if you would like to bring documentation for this part of the evening.

**March 21, 2013  5:00 – 7:00 pm**

43 Hawes Street, Brookline, MA

**PDPs available**

**Refreshments provided**

Please RSVP to Stephanie by March 19 and let her know if you have work you would like to share: ssuarez@wheelock.edu
