Assessment of Development in Birth to Three

Taught by Dr. Cathy Donahue, this course examines procedures for formal and informal assessment of physical, cognitive and language development in children ages birth to 3. Critical issues in early developmental assessment are identified and addressed. Knowledge of infant/toddler development is required.

Course Times: Mondays, 4:00-6:30 PM
1/19/2016-5/12/2016

Course Code: CFS 504
