Welcome to the 2015-2016 Be Advised Monthly Newsletter!

On behalf of the Student Success, we would like to welcome all new students to Wheelock College! We are so excited to work with you for the next few semesters. To all returning students, welcome back! We hope you had a great summer filled with amazing experiences. We can’t wait to hear the numerous stories. Student Success would like to welcome a few new members to our team.

Kelley Graham, Director of Career Services (ACW 102)
Jennifer Pike, Director of Disability Services (Library 205)
Katherine Hala, Assistant Director of Academic Support & Assistance (Library 205)
Juliet Ramirez, Student Success Specialist, Transfer Advisor (ACW 108A)

We are so glad to have these four new members of our team! Please make sure to stop by their offices and say hi and begin to build a relationship with them and utilize their services when needed.

This academic year, we will continue our series of Be Advised Newsletters that will cover course advising information, announcements about new classes, workshops and events, as well as a spotlight section specifically designed for students written by our Student Advisors!

So be on the look out for a Be Advised! Newsletter every month.

Student Advisor Spotlight!

Important Dates

- Last day to add a full semester class—September 9th
- Last day to drop a full semester class—September 16th

After September 16th, any class you wish to drop will be a withdrawal from the course and appear as a WD on your transcript!

If you have any questions about adding or dropping a class, please be sure to consult with an Academic Advisor who are located in ACW 1st Floor.

Check MyWheelock to ensure that all class information is accurate.
Map Making Workshops for Sophomores and Transfers

Class of 2018 and New Transfers—Be on the lookout for an email from Academic Advising about our upcoming Map Making Workshops which will be taking place at the end of September and all throughout the month of October.

An Academic Map is a planning tool used in conjunction with your Degree Worksheet to track your specific academic progress in your given program. It is a valuable tool to have and understand, to see exactly how your program(s) work and how you would like to construct your program(s) for your academic goals and future plans.

If you have any questions, please contact advising@wheelock.edu or your Academic Advisor.

Getting Organized

✦ Use a planning tool—an agenda, an electronic calendar, your phone, etc.
✦ Write down a list of items you need to accomplish in a week.
✦ Use folders, binders, notebooks, etc to keep information for classes in a designated place.
✦ Take some time for you. Remember to relax!

Study Tips

✦ Manage your time carefully
✦ Prioritize your work
✦ Get enough rest to be energized to study
✦ Study when you are at your peak
✦ Make sure to take some breaks during your study time
✦ Study a little at a time
✦ Relax
