

WHEELOCK COLLEGE

Child Life and Family Centered Care Certificate of Experience Form

Students seeking admission to Wheelock's program in Child Life and Family Centered Care must submit evidence of experience in a pediatric health care setting under the supervision of a child life specialist. **Students are required to complete a minimum of 100 volunteer hours prior to matriculation in the program.**

Please complete the form below with appropriate signatures and return to the Graduate Admissions Office. This information will be included with your application and taken into consideration during the review process. Applicants who have completed this requirement at more than one location must complete this form for each location.

Applicants who have not yet completed this requirement at the time of application may have their application held until sufficient hours have been completed and may continue the application process for a later term. Evaluation of this requirement is at the discretion of the Program Coordinator.
