International Students seeking a student visa are required to submit certified evidence of financial support for the first year of study at Wheelock College. A certificate of eligibility for a student visa (Form I-20) will not be issued unless this form is completed and the necessary bank certifications are provided. In place of the bank certification below you may send official bank statements or bank letters that are certified by a bank seal or stamp. You should make copies of this form and required documents before returning them to Wheelock College, as you will need to show proof of funding to U.S. consular officials when applying for the student visa.

Please return this completed form and any supporting documentation to:
