### Please register me in the following course(s) for:

Fall  Spring  Summer

COURSE #	SEC.	COURSE TITLE	FACULTY	# of CREDITS	AUDIT/GRADED

*For Office Use Only* ID Number:

## Withdrawal/Refund Information

Consult the Wheelock College website for withdrawal and refund policy information or contact the Office of Academic Records and Registration at 617-879-2135.

## Registration Information

At Wheelock College, you may enroll in up to 6 credits of graduate course work as a non-matriculated student before formally being admitted to a degree program or being approved for Life-Long-Learner status. Satisfactory performance as a non-matriculated student may enhance your application for admission to one of our programs, but it does not guarantee it. Courses successfully taken by students may later be counted towards the degree, if admitted, with approval of the appropriate academic Dean. We strongly recommend that students who anticipate applying courses toward a future degree program speak with a Program Director prior to registering.

Some students may choose to audit graduate level course work for personal enrichment or professional development. Please mark those choices as appropriate. Many professionals may also choose to use our graduate courses for Professional Development Points (PDP) or Continuing Education Units (CEU) as issued by the state or the student's governing professional organization. To find out how many PDP or CEU points you will earn by getting a grade or auditing a course please consult the bylaws of your professional organization.

It is expected that students who wish to obtain graduate credit for participation in a graduate level course at Wheelock have obtained a bachelor's degree. Students who have not obtained a bachelor's degree may participate in our graduate course offerings by electing to audit a course.

You will be registered in the course(s) on a space available basis. You will be notified when your form has been processed. Please contact the Office of Academic Records and Registration (617-879-2135) for more information.

I understand my rights and responsibilities as a non-matriculated student and agree to abide by Wheelock College policy with regard to registration, payment and enrollment in additional graduate courses.
