Summer is drawing to a close and the new academic year begins in just 3 weeks. We're excited to send you one more Lucy's Ledger before then, with information from Student Life, Residential Life, Athletics, and Jumpstart.

For those of you with students who are new to Wheelock, please take a moment to review our orientation website. Here you will find information about move-in, orientation activities, and Fall programming. For those of you with returning students, please review important move-in information below. For those of you with new transfer students, please note that a mandatory orientation for students only will take place on Sunday, September 2.

When you visit campus please note that Pilgrim Road could be partially closed due to construction of a new addition to our Activities building. For more information visit our website.

As always, please feel free to contact us with your questions, comments, or concerns. Email us at family@wheelock.edu.

Sincerely,

Bryan McGrath
Assistant Dean of Students

Jonathan Lewis
Associate Director for Student Success

Move-in schedule for resident students

Students participating in Bridge or most Fall sports will move-in on Sunday, August 19. Athletics check-in will be from 9:00-11:00am and Bridge check-in will be from 12:00-2:00pm, both in the Campus Center lobby. Women's soccer team participants will move in on Tuesday, August 21, from 9:00-11:00am, also in the Campus Center.

On Saturday, September 1, first year students will move-in between 9:00am and 12:00pm at their assigned residence hall. Transfer students will move-in on Sunday, September 2 between 11:00am and 12:30pm, also at their assigned residence hall. And returning students will move-in on Sunday, September 2, between 12:00 and 3:00pm at their assigned residence hall.

All students should be prepared to drop off their belongings at the sidewalk in front of their residence hall and park in nearby lots. Directions will be provided.

With questions, please contact Residential Life at 617-879-2258.
Need a copy of your health form, immunization records, or physical?

Many students will need copies of their health records for their field placements, Jumpstart sites, internships, and/or practicum sites. Prior to beginning their first academic semester at Wheelock, each student should have submitted an Entrance Health Certificate to the Office of Student Life. If a student requires a copy of these documents, they may stop by the Office of Student Life, located in the Pilgrim Student Center. In order for these records to be released, the student must present a photo ID. Records will not be released via e-mail or US mail, and the release of these documents must be approved by the Office of Student Life. Only the student will be able to pick-up these documents. If you require more information about these documents, you can call the Office of Student Life at 617-879-2108.

For any new student who has not submitted an Entrance Health Certificate, they were due on July 6. Students who have not done so already should mail or fax them in (617-879-2277) as soon as possible. Matriculation at Wheelock is dependent upon the submission of a completed Entrance Health Certificate to the Wheelock College Student Health Liaison. Students who fail to submit a completed Entrance Health Certificate may not be permitted to register for future classes, may incur an $80 fine, and/or may be removed from on-campus housing.

Semester "T" passes available for pickup

Attention students who ordered a semester t-pass! Your Fall semester t-passes will be available for use beginning September 1 through December 31. Students can pick up pre-ordered passes in the Office of Student Life, in the Pilgrim Student Center. In order to pick up your pass, you must provide a photo ID. Wheelock student IDs are an acceptable form of identification. If you have any questions call the Office of Student Life at 617-879-2108.

Welcome Jumpstart 2012-2013 Corps Members!

I am excited to begin a new program year with all of you this upcoming fall. I wanted to make sure you all are aware of some very important dates as we get closer to orientation.

1. We will have two options for fingerprinting: Saturday, September 1 and Tuesday, September 4. Please make sure to mark these dates in your calendar as you will need to have this done before attending the kickoff event.
2. To start this program year off we will be having our training kickoff on Wednesday, September 5, from 6:30-9:00pm in room 103 of the Campus Center.
3. The first seminar class will be held on September 12 from 6:15-9:15pm.
4. On Saturday, October 13, there will be an all-day training event from 9:00am-3:00pm.

Please make sure you have gotten all of your paperwork to me before arriving on campus. I am looking forward to seeing everyone and kicking off a wonderful program year!

Sincerely,
Fall Athletics Update

Wheelock College Athletics will welcome back student-athletes on Sunday, August 19. The men’s soccer, field hockey and men’s and women’s cross country squads will move back onto campus in the morning, prior to team meetings and testing with Athletic Training. The women’s soccer team will step foot on the Boston campus on Tuesday, August 21. All five teams will be in full pre-season practice mode all of that week and the following week before kicking off their respective game schedules during the first week of September.

While the student-athletes have been away from campus, Director of Athletics Diana Cutaia has been in demand all summer. Cutaia has been a guest contributor of the morning show on New England Cable News network multiple times, discussing issues ranging from the 40th anniversary of Title IX, to protective equipment worn by Pop Warner football players, to some of the controversies at the Olympic games in London. She has also made the guest-speaking circuit to talk about the Wheelock College Athletics philosophy.

Nine student-athletes were named to the New England Collegiate Conference All-Academic team during the summer. Student-athletes who competed in men's and women's basketball, men's volleyball, baseball, softball and men's tennis and posted a minimum of a 3.40 grade point average were eligible for spring NECC academic honors. Senior Kayla Drescher (Wallingford, CT), juniors Sarah McCaffrey (Taunton, MA), Taylor Rogers (Essex, MA) and Sara Buscemi (Arlington, MA) and sophomores Jessica Ramsey (Milford, MA), Ian Driscoll (Framingham, MA), Emily Morgan (Easton, NH) and Claire O'Donoghue (East Haven, CT) were all honored by the NECC.

Wheelock Athletics has welcomed a pair of newcomers to the college community as well with Ganiyat Adeduntan taking over the reigns as the Head Women’s Basketball Coach and Wole Oke being named the department’s Athletics Assistant.
