Administrative Information
Acquisition:  
The collection was the donation of Wheelock alumnae, faculty, and staff.

Processing Information:  
The collection was organized and processed by Kristy Sharpe in 2006 based on archival principles. The slides were originally housed in slide cases or deteriorating binders with little or no identifying information. All slides have been re-housed in archival quality plastic slide sheets. A small percentage of slides have identifying information about the photographer and the subjects. For ease of access, the collection has been organized by subject.
**Scope and Content**
The Wheelock Slide Collection contains approximately 16,000 slides. The majority of slides in the collection were created for use in Wheelock publications, including course catalogs, brochures, and yearbooks. As a result, the collection contains multiple duplicates and versions of the same image.

Series 1 contains images of individuals and groups of students studying indoors and outdoors, socializing, lounging and playing sports.

**Series 2: All College Events and Activities**
Series 2 includes images of gatherings and traditions at Wheelock, including graduation and commencement.

**Series 3: Student Work**
