WHEELOCK COLLEGE LIBRARY
Copyright Release Form

I have asked the Library to place on Reserve the materials listed on the attached form. I understand that faculty members have the responsibility to comply with the copyright laws in placing any materials on Library Reserve. I understand that written permission from the copyright owner is normally required to place materials on Reserve, unless the materials are not copyrighted, are exempt from the copyright laws for such uses, or their use falls under copyright fair use rules. I also understand that keeping these materials on Reserve for longer than one semester may violate the copyright laws.

I have placed a copyright notice on any materials which are copyrighted. I hereby agree to indemnify and hold Wheelock College harmless from any liability it may incur for accepting these Reserve materials or for maintaining them on Reserve at my request.
